ATLANTA
FOSTERING
ENTREPRENEURSHIP

SPONSORING ORGANIZATION: TiE Atlanta is a top five chapter of the world's largest entrepreneurial network, TiE, which is a global nonprofit with roots in Silicon Valley where it was founded in 1992. Since then, TiE has grown to 60 chapters in 12 countries with 15,000 members. The organization is industry and stage agnostic, which means TiE supports aspiring business leaders at any age, in any industry, at any stage of business development. TiE Atlanta offers programs targeting each stage of the life-cycle of entrepreneurship, including high school and university students, early stage companies, private and profitable companies, and major enterprises.
